AMEND Senate Bill No. 3194

House Bill No. 3175*

by deleting the current language of Section 1 of the printed bill in its entirety and by substituting instead the following language:

SECTION 1. Tennessee Code Annotated, Section 12-3-1009, is amended by designating the current language as subsection (a) and adding the following new language, to be designated as subsection (b):

(b) Any municipality or municipal agency may participate in, sponsor, conduct, or administer a cooperative purchasing agreement for the procurement of any supplies or any services other than construction services with one (1) or more other local governments within this state or outside this state, to the extent the laws of the other state permit the joint exercise of purchasing authority, in accordance with an agreement entered into between or among the participants. A municipality may participate in a master agreement by adopting a resolution accepting the terms of the master agreement. If a participant in a joint or multi-party agreement is required to advertise and receive bids, then it will be deemed sufficient for those purposes that the purchasing entity or the entity that procured the bid complied with its own purchasing requirements. When any general law, charter or private act requires that a municipality or municipal agency purchase an item or a service by competitive bidding, either formal or informal, the municipality or municipal agency may consider the price for the same item or service under any contract or agreement pursuant to this section in the same manner as one of the formal bids or informal quotations required under such general law, charter or private act.

AND FURTHER AMEND by deleting Section 2 of the printed bill in its entirety.
